"Learning to Lead Together: The Promise and Challenge of Sharing Leadership" examines the dilemmas for school leaders and administrators, and the benefits for schools and students, when principals work with teachers (and their communities) to share leadership.

Learning to Lead Together | SAGE Publications Inc Learning to Lead Together: The Promise and Challenge of Sharing Leadership examines the dilemmas for school leaders and administrators, and the benefits for schools and students, when principals work with teachers (and their communities) to share leadership. Most schools function within existing hierarchical structures that contradict and undermine many of the conditions necessary for shared leadership. Current school reform initiatives and policies urge or require that teachers be actively
