lawmakers, state university and community college personnel, state hospital staff, and their dependents. Medicare and the State Health Plan for Teachers and State ...

North Carolina law requires State Health Plan benefits to coordinate with Medicare benefits. This means that charges left unpaid by Medicare are paid by the State Health Plan after the yearly deductible or coinsurance are applied, up to the total allowed charge for the procedure or after the copayment is paid for those services on the 70/30 PPO plan that require only a copayment. Revised
