"To Shapp, verb: to attempt to sanitise one's online image, often in an urgent and/or hasty manner." Derived from the checkered internet history of British politician Grant Shapps.

[Shaping Cities in an Urban Age - lsecities.net](#)

Shaping Cities in the Urban Age does more than put cities on the map. It identifies current trends that are making cities more fragmented, less equitable and environmentally more damaging, and argues powerfully for a more integrated social, environmental and spatial approach that can inform and inspire city-makers that are shaping an increasingly urban world. Shaping Cities in an Urban Age is
