Stanley Black, Spain since 1939 - Hamilton M. Stapell, 2012

The book clearly explains all of the key developments since 1939: how a 40-year dictatorship was followed by an exemplary transition to democracy, the shift from international isolation and autarky to full European integration, the development of a largely two-party political system, and the repeated cycles of economic boom and bust. Black also avoids the common pitfall of portraying Spain as

Spain - Wikipedia

Since 2000, Spain has experienced high population growth as a result of immigration flows, despite a birth rate that is

only half the replacement level. This sudden and ongoing inflow of immigrants, particularly those arriving illegally by sea, has caused noticeable social tension. Within the EU, Spain had the 2nd highest immigration rate in percentage terms after Cyprus, but by a great margin.
