[Remodeling 101: Stainless Steel Countertops - Remodelista](#)

Stainless steel counters are available in several finishes: brushed, satin polish, mirror polish, and antique matte to name a few. Brushed finish is the most popular because it looks smooth and soft, and doesn't show as many fingerprints or scratches as the polished options.

The firewall was stainless and the fuel lines were also special stainless tube and the battery sat in its own nicely made stainless box. Nose steering was differential braking, which I would not care for, but the two-piece spring steel tapered main landing gear were very small and nicely integrated into the bottom side of the center spar structure. Even a tow bar was latched in the rear
