I've put together this planner for my own use, and I've also tried to create forms that I wish I had had when I was first entering and going through the initial divorce process. So there are pages that would be helpful for every stage of the divorce/co-parenting process. To get the best use out of them, I would suggest printing single-sided. That way you can change, remove, or add pages.

The Divorce Organizer & Planner came in good stead. With tears here and there, I worked those sections that were relevant to me (I didn't need to consider child custody/support issues) and collected documents I would need to go through the divorce process. While I had a consultation with a lawyer to make sure I was collecting the info I'd need (and found out the Workbook was right on target).
