Tonal Harmony 8th Edition - PDF Books Download  
Book Preface. Tonal Harmony with an Introduction to Post-Tonal Music is intended for a two-year course in music theory/harmony. It offers a clear and thorough introduction to the resources and practice of Western music from the seventeenth century to the present day.

Thoughts on tonal harmony 7th edition? : musictheory  
I own tonal harmony 7th edition (we use the 6th edition in my theory class) and have found it very useful for general information of music theory. I would recommend getting the 6th edition because there is little difference between the two and it has all the content of the 7th edition.
